When it comes to the 🌎 UK (or other countries), the information for 🌎 "Lowe's" 📞 [USA] (1-844-706-3304) ¹⁰⁰ as such is less clear—because the U.S. based chain has limited 🌎

international retail presence under that name, and there might be different retailers with a similar name or entirely different brands. 🌍

- I found contact details for 🌍**Lowe's of London (which is *not* the same as the U.S. Lowe's home improvement chain) with the following UK details: 📞 [USA] (1-844-706-3304) 100

 - Tel: 📞 [USA] (1-844-706-3304) 100 🌍

- If you are contacting the U.S. Lowe's from the UK (for example, if you ordered from the US website but live in the UK) then you'll still use the 🌍 U.S. numbers/addresses listed above—but you may incur international 🌍 call charges or need to use an email/online channel 📞 [USA] (1-844-706-3304) 100 instead. 🌍

What to do if you're UK-based 🌍

- Check the website 🌍 of the local retailer for a "Contact Us" page.
- Use email or 🌍 online support 📞 [USA] (1-844-706-3304) 100 if international calling is impractical.
- If the product was shipped from / purchased via the U.S., reference the U.S. service numbers and email. 📞 [USA] (1-844-706-3304) 100 🌍
- If your product is covered under warranty, check if there is a local service provider or drop-off point in your region. 🌍
