4. What to expect & common pitfalls

What to expect

- App chat tends to give the quickest initial response. 📞[US] [(1—[844—3(7)6—0400])[US] 📞
- For phone support 📞[US] [(1—[844—3(7)6—0400])[US] 📞, on-hold time may be significant depending on volume.

Common pitfalls

- Calling outside business hours (for phone support) 📞[US] [(1—[844—3(7)6—0400])[US] 📞 may not get you a live agent.
- Not having sufficient account/identity details ready will slow things.
- Assuming 24/7 live phone support 📞[US] [(1—[844—3(7)6—0400])[US] 📞—while chat may be 24/7, phone often is not.

- Example: One user on Reddit said:

[US] [(1—[844—3(7)6—0400])[US] 
- Failure to follow instructions for uploading documents (when asked) will delay resolution.
